

Indicators

- Wide variety of models for any application
- Network and ethernet compatible

Process Transmitters

- Ethernet
- Compact fieldbus
- PLC to analog outputs

Batch Controller

- Management of data
- Software connectivity
- GMP connect

Washdown

- High resolution technology
- Many different platform sizes
- Hygienically designed

- Extreme low profile design

- Modular weighing systems
- IP protection rating to 68

Explosion Proof

- Ideally suited for hazardous locations, liquid or dust
- Models for any application and location

- Weighing ranges from 1 milligram up to 300 kilograms
- Suitable for most environments

- Portability options available on floor scale models

- Wide selection of stainless steel finishes, 304 to 3/16
- Power supplies are available for either inside or outside the hazardous area

Tank and Hopper

- Tension and compression load cells available
- Vibration resistant
- Well-proven rocker pin design
- Easy corner adjustment by matched load cell output

- Absolute hygienic weighing solution

- Protective cover made from FDA-compliant silicone

- Load cell capacities ranging from 200 to 600,000 pounds

- Simple and fast installation
- Completely maintenance free, inclusive constrainer

Check weigher

- Stainless steel modular design
- Maximum throughput up to 600 items/minute
- Standard deviation from 0.01 grams and up
- High capacity units available

Metal Detection

- Various transport and rejection systems
- Stainless steel housing that meets hygienic requirements to HACCP

X-ray Inspection

- Touch screen technology for easy setup
- Low power consumption

Services Offered

- Installation and commissioning of your equipment
- On-site technological evaluation
- Preventive maintenance
- Repair services
- Validation

Easy Coast-to-Coast Service

The Scale People has created a service infrastructure designed to provide complete certified service at your facility or in our lab. World class service is our goal and we achieve this by being a customer centric, customer driven organization.
