RE: Sierra Nevada Brewing - Mills River, NC

Mr. Saenz:

I would like to express my appreciation to you and the team at M.G. Newell for for the fine work performed at our Mills River facility.

With minimal notice, we asked you to rapidly mobilize personnel, tools and equipment and hit the ground running to perform tasks unknown. Rick, Brian and Robbie were terrific to work with and never missed a stride as we bounced them all over the place.

Thanks for the great support. It's comforting to know we have a quality resource so near. Please extend my gratitude to your team.

Warmest regards,
