

Universal[®] 3 Pumps for Life[™] Program

UNIVERSAL 3 POSITIVE DISPLACEMENT PUMPS

Pumps for Life[™]

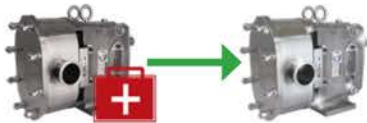

- 1 Purchase new Universal 3 (U3) pump

- 2 Maintain pump with genuine SPX FLOW parts

- 3 Trade in **OLD** U3 pump for a **NEW** U3 pump at a **remanufactured price**

Eliminates the need to stock mixed rotor sizes and keeps your pump operating at peak performance.

For more information, contact:

PROGRAM DETAILS

Purchasing a new Universal 3 positive displacement pump comes with a beneficial life cycle opportunity called the Pumps for Life[™] program. This features a reduced price for customers purchasing new replacement U3 pumps provided they have used genuine OEM parts throughout the pumps' life.

BENEFITS OF THE PROGRAM

- New replacement pump at the cost of a remanufactured pump
- Efficient peak performance to optimize Total Cost of Ownership
- Same pump dimensions for all parts, which will no longer utilize oversize rotors and bodies
- No risk of installing the incorrect, oversized remanufactured rotor into a standard pump

For more information on ordering a Universal 3 pump, genuine spare parts or other process equipment contact your local SPX FLOW Waukesha Cherry-Burrell Distributor.
