

## INTEROFFICE MEMORANDUM

**To:** ALL ASSOCIATES  
**From:** MICHAEL SHERRILL  
**Subject:** JULIE HART  
**Date:** 5/26/2026

After 30 years of dedicated service and leadership, Julie Hart, Vice President of Finance, has announced her transition into retirement from her full-time role effective May 31, 2026.

Julie has played an instrumental role in the growth and success of our company. As leader of our accounting team, she has provided exceptional financial stewardship, while also taking on significant responsibility for managing the legal and compliance risks that naturally come with a company that has grown dramatically in both size and complexity during her tenure.

As part of a planned transition, Julie will continue with the company in a reduced part-time capacity beginning July 1, 2026.

Please join me in thanking Julie for her many years of service and wishing her all the best in this next chapter.

Thank you,

Michael Sherrill
